Lights On -- Lock Up and Look Out for each other!

Meeting Agenda – Monday – 18 November 2019

Lenore J. Combs, Coordinator 956 245 1276 LJCombs44@gmail.com

Dear NW-CERT Volunteers and Friends,

Our Sunshine community is invited.....

Please mark your calendars for this important meeting.

Our focus will be CPR and the AED, a touch of First Aid with emphasis on Stop The Bleed so John Combs and I will review some highlights relating to our community. Pete Moreno, Supervisor of STEC EMS, originally scheduled, is unable to be with us because he has been selected to be an instructor for the ALERT class for the City of Harlingen. (Auxiliary Law Enforcement Response Team). Training about crucial support – non emergency - in the hours after a disaster.- from assisting with some police tasks – traffic, etc working with other volunteer groups, medical, animal control, supplies, sheltering and so on.

BTW..... ALICE Training: – Alert --Lockdown --Inform --Counter --Evacuation training for Workplace, schools, healthcare, business, houses of worship, organizations etc. – proactive strategies to improve chance of survival during active shooter event.

**Welcome, Pledge of Allegiance, Moment of Silence – thoughts for special intentions
Introduction of guests or new residents**

This is an open meeting and we welcome everyone. Coffee is always on. The agenda is a planning guide.

Treasurer's Report

Finger Lickin' Chicken fundraiser planned for 10 Jan 2019 – Friday

New Business

Help Wanted – need a volunteer or two to keep up with the Flashlite batteries in the McGruffmobile. Thanks to Ray Parker as he has done this job for the last several years as Bill Del Sardo before him. Simple but necessary job. Will need a volunteer for the Summer too.

Patrol Schedule: Linda Jones

November is out and December is in the works. Contact Linda if you wish to help.

Old Business

Generator - Wade has the key – he has done this service for the summer and will get it to Dick & Linda Jones). They will check it monthly during the winter schedule. We are looking for someone to volunteer for the summer as well. (My philosophy – nobody should own a job forever, so your Neighborhood Watch needs all your help it can get)

Sgt. Brooks has updated a NW Guide for us and is available at the meeting.
The 2019 – 2020 Welcome Letter is out for residents.

Reminder: (still an active concern) VENDORS and CONTRACTORS – must report to Office for Orange Cards. It is each resident's responsibility to make sure they report in. I thought earlier we may even need to hire a guard to check IDs at the Front Gate but so far so good. Please call Lenore and I can also get you these ID cards. Emphasis – if there is a vehicle in here without ID – consider it suspicious. Inquire nicely as to the nature of their business – if it smells fishy – get the PLATE!

McGruffmobile – please notify Lenore if there are any concerns with the golf cart or its equipment. Rich Debackere will be looking after mechanical needs etc. (tires, batteries, general condition etc. McGruff gets “rode hard and put up wet”, so please take good care of it on Patrol, please.

Buzzers and solar lights..... still a good idea – some Sunshine areas are not sunny leaving these areas very dark.

Block Captains – who's where?

Montana Nebraska Missouri Michigan Indiana Wisconsin Iowa Minnesota Kansas
Preferable one or two folks per street – just being “eyes & ears”.....

IR Sensaphone – Storage Lot – phone system for notification of breach in fence.....
